## COVID & YOUNG CHILDREN

Learn about COVID-19 vaccines and boosters, as recommended by the Centers for Disease Control and Prevention (CDC). Through continued safety monitoring, COVID-19 vaccines are considered safe for children and teens.

## AT SCHOOL

Learn how to establish an infectious disease prevention program as part of daily operations in early learning programs and schools, to ensure the utmost health and safety of children, families, teachers and staff.

## AT HOME

Learn to maintain safety from COVID-19 at home by practicing healthy habits with your child, such as appropriate hand washing for 20 seconds before and after activities, covering your mouth by coughing or sneezing into your elbow, and avoiding touching your face or rubbing eyes frequently, especially after outdoor experiences.

## Our Mission

To improve and advance the quality of life for Black children and families in Georgia through education and advocacy

## Our Vision

BCDI-Atlanta envisions a society that ensures a successful future for all Georgia's children.

### FAMILY ENGAGEMENT

BCDI-Atlanta promotes family engagement as a long-term commitment shared between multiple stakeholders from many settings, which include outreach programs and activities that build partnerships as well as equip families with resources needed to build economic stability.

[bcdiatlanta.org/family-engagement](https://bcdiatlanta.org/family-engagement)

### EARLY CARE AND EDUCATION

BCDI-Atlanta promotes the equitable distribution of high-quality education resources across the birth to eight continuum, which includes leadership and professional development to promote a well-qualified, culturally and racially diverse workforce.

[bcdiatlanta.org/early-care](https://bcdiatlanta.org/early-care)

### LITERACY

BCDI-Atlanta promotes early literacy and language development, which includes supporting families and early education programs with access to culturally relevant and developmentally appropriate children's books and supplementary resources.
